

## Report of Consultations Annual Monitoring Reports

(see Table below)

to the Pembrokeshire Coast National Park Local Development Plan 2

Adopted September 2020

The following tables provide the dates the Annual Monitoring Reports were approved for public consultation by the National Park Authority.

Year of Annual Monitoring Report	Approval Date for consultation	Closing Date for Comment	Report of Comments Received by the National Park Authority
2021-22	26 <sup>th</sup> October 2022	2 June 2023	20 <sup>th</sup> September 2023

Letters and emails are sent to consultees on the Local Development Plan database.

Year of Annual Monitoring Report	Date of Public Notice in Pembrokeshire Herald
2021-22	Friday February 24 <sup>th</sup> 2023

The consultations were also advertised via the Authority's web site.

All responses were acknowledged, and are publicly available.

The officer responses to the consultations were reported to the National Park Authority meetings listed in the first table above.

Reports of the officer responses to the Annual Monitoring Report consultations can be viewed using the following weblinks (see Appendix B to the Meeting Report):

National Park Authority Meeting 20<sup>th</sup> September 2023
